

EOS Announcement for HUAWEI G560 Product

No.: EOS-C-2021-11642-Global

Dear Customers,

To help you better cope with challenges brought by market changes and technological innovations, Huawei hereby informs you of the milestones in the life cycle of G560 product. Hopefully this information can give you a reference on making future network development plans.

Huawei product lifecycle milestones are defined as follows:

Milestone	Definition
EOM	End of Marketing. The EOM date is the date when the product stops accepting orders, including orders for new sites and capacity expansion. After that date, the product will no longer be sold.
EOS	End of Service & Support. It refers to the last date of the service. After the EOS date, Huawei does not provide any service for the product.
