

## EOS Announcement for Huawei Conference Client & UC Client Product

**No.:** EOS-EW-2019-074-Global

**Date:** December 05,2019

Dear Customers,

To help you better cope with challenges brought by market changes and technological innovations, Huawei hereby informs you of the milestones in the life cycle of Conference Client, UC Client product . Hopefully this information can give you a reference on making future network development plans.

Huawei product lifecycle milestones are defined as follows:

Milestone	Definition
EOM (new site)	End of Marketing of new site. The EOM (new site) is the date when Huawei officially stops accepting orders for new sites. After this day, products will no longer be sold to new sites.
EOM	End of Marketing. The EOM date is the date when the product stops accepting orders, including orders for new sites and capacity expansion. After that date, the product will no longer be sold.
EOS	End of Service & Support. It refers to the last date of the service. After the EOS date, Huawei does not provide any service for the product.

**Table 1 EOX product lifecycle milestone**

Product name	Milestone		
	EOM (new site)	EOM	EOS
Conference Client	NULL	2019-03-31	2021-06-30
UC Client	NULL	2019-03-31	2021-06-30

Huawei would like to advise that you move or upgrade your products to the newer version/release in order to continue and enjoy Huawei's high level service.

The following table lists the recommended replacement products/versions.

**Table 2 Replacement product**

End of Life product	Replacement product
Conference Client	NULL
UC Client	NULL

Hopefully this announcement can help you plan your future networks. This measure will not affect the existing service relationship and quality. We are consistently dedicated to providing you with other excellent products and services. If you have any questions, please contact your Huawei account manager.
